We at Amish Oak in Texas appreciate that you have chosen us to be your supplier in high quality Amish-built heirloom furniture.

It's our commitment to you that we work hard to satisfy your needs.

Our standard orders take approximately 8 weeks beginning from the date that you place your order until we receive it in the store. Customizing any size or style of furniture could add another 4 weeks. Please be patient with us and know that the builders we work with take great pride in what they build. The wait time is only an estimate and does depend on the workload of the builder.

Delivery: All deliveries are subject to a \$25.00 flat fee + round trip mileage divided by 8 miles per gallon multiplied by the rate of diesel cost per gallon. Example: 30 miles round trip, cost of diesel per gallon is \$2.69 per gallon, average miles per gallon is 9 with a flat rate of \$25.00.

$\$25.00 + (30 \text{ divided by } 8 = 3.3 \times \$2.69 \text{ (cost per gallon of diesel)}) = \$8.88 + \$25.00 = \$33.88 \text{ total delivery fee}$

Definition of Delivery: If you agree to have Amish Oak in Texas deliver your furniture without setup, Amish Oak in Texas will only deliver the furniture curbside.

Setup: Amish Oak in Texas will set up your furniture for a \$25.00 fee. This includes assembling tables, installing mirrors to dressers and setting up beds and hutches.

Pickup: Amish Oak in Texas will call you when your furniture arrives at our showroom. You have 7 days in which to pick up your furniture from the time that you are notified that it has arrived. Starting on the 8th day a 6% compounded daily will be charged to the remaining balance until picked up or delivered.

Down payment: By purchasing your heirloom furniture from Amish Oak in Texas you agree to place a 50% deposit with no refund.

Guarantees: Amish Oak in Texas stands behind each piece of standard sized Amish made furniture that we sell. We can not warranty any fabric, leather or custom-sized furniture. Our hickory and oak rockers, swings and gliders must be kept from any direct sunlight, rain or humidity. You should take extra care to keep the oak and hickory covered when not in use. If you fail to do this we can not offer our warranty to you. With the hickory and oak furniture we can only warranty the wood itself from cracking or splitting. We can not warranty the finish on any hickory and oak furniture.

Customers Commitment: If the heirloom furniture becomes defective, it's the responsibility of the consumer to deliver the furniture to Amish Oak in Texas for repair or replacement.

Credit Card refunds/Credits/ Checks: Will be charged a 15% processing fee.

Amish Oak in Texas believes it offers the best prices for Amish built heirloom furniture. Most furniture stores raise their price by a certain percentage and then advertise a sale or discount. We offer a price that covers our normal operating expenses and no more. If you receive a discount from us we can not exercise the same warranty as if you paid full price.

Thank you for choosing us as your source for quality built Amish heirloom furniture.

Please let us know if we can be of further assistance.

May God continue to bless y'all.

Thank you.
